

## How would you like to donate a book to 300 children?

### Be a ROBERTS BOOK GIVER!

Would you like to remember your child's birthday in a special way that many children could share? Honor your child's teacher or grandparent? Why not let that special someone be honored by giving a new book to the school library where over 300 children a year could read and share this gift?

When the book is added to the library collection, the gift will be acknowledged with a presentation to the child's classroom and a bookplate bearing the recipient's name, donor, and special message. In addition, your child will be the first to check out the library book. If you have any questions please contact Susan LaGatta, Roberts librarian, at [slagatta@mtps.com](mailto:slagatta@mtps.com) or (856) 778-6635.

There are two easy ways to contribute a book.

1. Go to [www.btsb.com/sosl/maryerobertselementaryschool2/](http://www.btsb.com/sosl/maryerobertselementaryschool2/) to see the current list of books requested for the library. Your child may enjoy helping to choose a book.
2. Choose any book you like! If you prefer, you can shop as a family and choose a hardcover book of your choice. Need ideas? Please see the media website at [www.mtps.com](http://www.mtps.com) for the most up-to-date "Top 10 picks."

Name of Child (written as it should appear on the book label) \_\_\_\_\_
